SHC Mission

Spectrum Health Care, Inc. strives to provide comprehensive opioid therapy to those seeking treatment in and around Hudson County without separation from family, community and employment.

SHC VALUES

Striving to become productive members of society without drugs and alcohol.

Providing multidisciplinary case management addressing the client's strengths, needs, abilities, and preferences.

Educating individuals, families, and communities about substance abuse treatment and services.

Cultivating a family atmosphere that encourages success in attaining one's goals.

Teaching self-respect and respect for others.

Responsibility for one's actions is the first step in recovery.

Uniting clients with clinically appropriate treatment providers- *You cannot do it alone, let us guide you.*

Maintaining an environment that fosters a healthy lifestyle.

SHC PHILOSOPHY

*Spectrum Health Care, Inc.
is committed to
providing culturally
competent care through
quality service delivery
